Introducing the Barkersville. Nestled amidst the serene willow trees, this charming Colonial-style residence has a timeless allure. Features include a classic red brick facade, red door, and gorgeous navy shutters for contrast. This two-bedroom, three-bathroom home exudes a sense of warmth and comfort from the moment you arrive. As you approach, the inviting exterior welcomes you with its traditional architecture, characterized by symmetrical lines and a pitched roof. The rich red brick exterior is complemented by crisp white trim, evoking a sense of stately elegance. Stepping inside, you are greeted by a gracious foyer adorned with gleaming hardwood floors that flow seamlessly throughout the main level. To the left, a cozy living room beckons, bathed in natural light streaming through large windows. The focal point of this space is a handsome fireplace, perfect for gathering around on chilly evenings. Adjacent to the living room is the heart of the home: the spacious kitchen. Designed for both functionality and style, the kitchen features custom cabinetry, quartz countertops, and stainless steel appliances. A center island provides additional prep space and doubles as a casual dining area, ideal for morning coffee or quick meals. Connected to the kitchen is a lovely dining area, offering a picturesque backdrop for enjoying meals with family and friends. French doors lead out to a private patio, creating a seamless transition between indoor and outdoor living spaces. Upstairs, you will find two well-appointed bedrooms, each offering a peaceful retreat at the end of the day. The master suite boasts ample closet space and a luxurious ensuite bathroom complete with a water closet, linen storage, and separate shower. A second bedroom provides flexibility for guests or can be used as a home office or den. This home also features three full bathrooms, each with modern fixtures and finishes. Outside, the meticulously landscaped grounds provide a serene oasis for relaxation and recreation. The expansive backyard offers plenty of space for outdoor entertaining, gardening, or simply enjoying the beauty of nature.
