Plan Description

An appealing covered front porch and a combination of stone, siding and wood give this 1 story house plan a modern look. Inside, guests are welcomed by a decorative ceiling and a fireplace in the open great room/ kitchen concept. The L-shaped kitchen and island adjoin the dining area, which opens onto a rear covered patio, where guests can mingle before dinner is served. A generously sized master suite is tucked away for privacy behind the kitchen and includes a tray ceiling. The well-appointed master bath includes a large whirlpool tub, shower, compartmented toilet, and walk-in closet with access to the laundry room. Two additional bedrooms occupy this 1 story house plan. This 1 story house plan also features a 2 car side load garage.
