Plan Description

The Winslow Pointe barndominium style house plan is a gorgeous small barndo home with 1498 square feet, 2 bedrooms and 1 bathroom. The exterior of this home is beautifully unique with stone and dark accents and a 13' tall covered porch. Inside the home is a gorgeous entryway followed by an open concept kitchen, dining room and great room. A built-in fireplace as well as access to the patio on the rear side of the home can be found off the great room, as well as a walk-in pantry in the kitchen. The right side of the home is where the bedrooms can be found, each with their own walk-in closet and access to a shared hallway bathroom. On the opposite side of the home is the three-car garage, with one door being taller than the other to fit trucks or vans.
