Roof Pitches	2/12 Primary
Main Wall Height	9'

## Plan Description

The Elm Creek dog house is a cozy plan that will look great in anybody's backyard. The large dog run gives your furry friend a great space to be outdoors while still safely locked up. A person door is located on the side of this plan so your dog food and toys can be stored inside without allowing your dog to access them on their own. A chain-link fence separates the dog's living quarters from the rest of the dog house.
