Plan Description

The Heritage Heights is a beautiful 2 story house plan. The Craftsman front elevation features an impressive front porch with wood columns and stone bases. Upon entry, you will see the living room with a see-through fireplace. The U shaped kitchen is great for the cook in the house and it has ample storage with the large walk-in pantry. Upstairs in this 2 story house plan, you have 4 bedrooms, each with their own walk-in closet. Bedroom 2 and bedroom 3 share a Jack and Jill bath and bedroom 4 has its own private bath. The master bedroom suite has an oversized bedroom for this size home and a beautiful bathroom that features split vanities, a whirlpool tub, and a private stool room.
