Plan Description

The Hickory Hills plan is a beautiful Barndominium style house plan. The outside has an amazing country feel with the large wrap around porch. The exterior showcases board and batten siding with a metal roof and wood garage doors. The interior of the home is arranged in an open layout. The great room, dining, and kitchen all lie under a soaring cathedral ceiling. The great room is warmed by an amazing fireplace. The kitchen includes a massive island with a snack bar and walk-in pantry. The Barndominium home's 3 bedroom can be found on the right side of the home. The master suite includes his/her closets, his/her vanities, and a large walk-in shower. The master bedroom lies under its own cathedral ceiling and has its own access to the rear covered patio. Bedrooms 2 and 3 share a centrally located hall bathroom.
