## Plan Description

If you are looking for an efficient floor plan that still has everything you need, look no further than the Kelton plan. The exterior features a sturdy brick construction on the front with a modern farmhouse color scheme. The simple foundation shape is a perfect way to cut building costs without sacrificing any amenities. Inside the home, the great room is warmed by a fireplace that is flanked by windows to allow in an abundance of natural light. The I-shaped kitchen includes a large working island with a snack bar. The dining room features a trayed ceiling and leads out to an amazing covered patio. The master bedroom features a walk-in closet and it's own master bathroom. The left side of the home features 2 bedrooms that share a centrally located hall bathroom. The home includes a nice 2 car garage.
