## Plan Description

This pool house design is great for any pool owner. The Marisol welcomes all with large stone columns, a firepit for those cool nights, and even water fountains for that extra designers touch. Access from three of the four sides makes for a large spacious feel welcoming people from all directions. The covered patio is great for entertaining at all times of the day or night. It includes a kitchen area with a built-in grill, a sink, and refrigerator space. The decorative niche in the center is a great space for a TV. On the side of the pool house is access to the powder bath that includes bench and hook storage. This simple pool house design provides everything you need including a storage space on the rear for all pool equipment, including floaties! Be sure to check out our other pool houses.
