Plan Description

The Meadow Lane is a stunning apartment garage that features 2 bedrooms above a 3 car garage. On the main level there is a mudroom equipped with bench & lockers and a half bath. There is extra storage space in the rear of the single car stall. Upstairs, a well-thought out apartment includes 2 bedrooms with walk-in closets and a shared hall bath. The open concept flows from the full kitchen with a walk-in pantry to the large great room that houses a fireplace and tray ceiling. Off the great room is a large slider door that opens to a covered deck with cathedral ceiling.
