## Plan Description

Perfect for narrow lots, this 30-foot-wide house plan is super efficient. Inside, guests are immediately greeted by the family room. The main floor includes a coat closet and a powder bath. The kitchen features a breakfast bar, pantry, and practical counter space.Upstairs, the master bedroom features a sizeable walk-in closet. A wall separates its bath area from the centrally located laundry. Just off the second-floor landing, the bedrooms share a hall bath.Check out our other small house plans!
