## Plan Description

This contemporary pool house design is great for all outdoor seekers. The Raburn plan sits under a low pitched roof but still provides many opportunities for natural sunlight. The large garage door allows you to bring the outdoors inside while escaping the sun on a hot summer day. Inside lies ample amount of space for all guests to relax and enjoy themselves. A half bath is conveniently located in the rear corner of this pool house. With a simple design, this costworthy plan is great for adults and children. Be sure to check out our other pool houses. As always any of our plans at Advanced House Plans can be customized to fit your needs with our alteration department. Whether you need to change the front elevation style, stretch it larger or just make the plan more affordable for your budget we can do that and more for you at Ahp.
