Plan Description

The Rosemont is a beautiful traditional style split-level house. On the lower level, you'll find a 2 car garage and a family room that is a perfect gathering place. On the main level, the living room flows into the dining room and kitchen seamlessly in this open floor plan. The main living space lies under a cathedral ceiling that really opens the space and makes it feel larger. An optional fireplace adds the perfect touch to the living room. The kitchen includes a pantry and an island. The master suite in this home has a decorative trayed ceiling and access to its own bathroom. 2 other bedrooms in this home share a centrally located hall bathroom.
