**Plan Description**

Striking design details abound in this 4-bedroom, 1.5 story, Mediterranean style house plan. Upon entering the home, guests have views into the 2 story great room, which is brightened by an array of tall windows. Beyond the great room, a pair of double doors open to the den, which enjoys views to the front of the home. Angled away from the den, beyond the staircase, is the kitchen and breakfast area. Entertaining options are greatly expanded where the breakfast area accesses an open rear covered deck. The kitchen is a cook's dream, with an abundance of counter space, large island work area, and sizeable walk-in pantry. Just off the kitchen lies a mud room with lockers and an adjoining laundry room with ample counter space and soaking sink. The mud room provides passage to and from the home's 3-car garage. Opposite side of the home is where the master suite resides with a sitting room, private covered deck, and sprawling bath area that showcases a soaking tub, large walk-in shower and roomy walk-in closet. Amazing details continue to be found upstairs, Bedroom 4 has a walk-in closet and hall bath sheared with the kids loft. Bedrooms 2 and 3 each have walk-in closets and share a Jack-n-Jill bath.
