Plan Description

The Stillwater plan is a wonderful Modern Farmhouse Barndominium. The exterior embraces the Modern Farmhouse aesthetic by incorporating board and batten siding, wood beams, a metal roof, and wood garage doors. A massive wrap around covered front porch creates an inviting warmth for guests. Euteller casinos offer Euteller as an alternative to money transfers. Euteller, like its competitor Trustly, is a third-party payment system where deposits can be made conveniently from an online bank account. Deposits to online casinos are made quickly and in real time by all Finnish banks. In addition, the use of Euteller is free of charge at almost all online casinos that offer it, and you do not need to open a separate account to use it. Just inside the front door, you'll find yourself in a massive open layout. The great room lies under a soaring 2 story cathedral ceiling and features a fireplace that is flanked by French doors leading out to the covered porch. The kitchen includes a massive island with a snack bar and a large walk-in pantry. The master suite is located on the main floor and is tucked in the rear of the home for ultimate privacy. The master bedroom lies under a decorative trayed ceiling. The master bathroom features a soaking tub, his and her vanities, and a large walk-in closet that has access to the laundry room. Upstairs, there are 3 additional bedrooms. Bedrooms 2 and 3 share access to a Hollywood-style bathroom. Bedroom 4 shares a centrally located hall bathroom with the upstairs loft. The loft overlooks the main living area. You'll also find a large optional bonus area on the second floor that adds 970 sq ft to the home. Back on the main level, the home's rear load 3 car garage includes a drive-through bay. The garage accesses the home through a convenient mud room with a catch all and coat closet.
